

## VISA Authorization & Disclaimer Form

- In principle, the applicant should appear **IN PERSON** at the Embassy to submit the visa application documents, as well as to pick up the visa and passport after issuance.
- If the applicant cannot visit the Embassy in person, he/she may authorize a proxy. In that case, the applicant **MUST** fill out this form and have the proxy submit the original of this form to the Embassy with the other necessary documents at the time of application.
- The proxy must show his/her photo ID on site.
- Diplomatic/Official passport holders are **NOT** required to use this form if the application is made by a representative of their organization.

Please check **ALL** that apply:

☐ I authorize the person/travel agent listed below **to submit** my visa application (and all necessary documents) to the Embassy on my behalf.

☐ I authorize the person/travel agent listed below **to pick up** my visa and passport on my behalf.

The Embassy will **NOT** accept this authorization form if both boxes listed below are NOT checked:

☐ I acknowledge that the Embassy may request additional documents and/or may request the applicant to visit the Embassy for an on-site interview or a visa pick up.

☐ I acknowledge that the Embassy will not bear any responsibility whatsoever for any loss, damage, non-delivery or misdirection of the passport(s), as well as any delay in the visa issuance process, when the application is made through a proxy.
