

List of Local Travel Clinics/Medical Clinics that can issue a Negative Certificate (Washington, D.C., Maryland, Virginia)

This is a list of local travel clinics/medical clinics that have informed us that they would be able to issue a negative certificate using the form designated by the Government of Japan (GOJ).

※For residents outside DC, MD, VA: <https://www.us.emb-japan.go.jp/jicc/consulate-guide.html>

For Users of This List:

- This list is intended as a reference for people who will be entering Japan. The Embassy of Japan does not endorse or recommend any of the listed clinics, nor does the Embassy of Japan guarantee the accuracy of any of the information contained within these lists.
- Please contact the clinic directly regarding appointments, testing procedures, testing fees, and timeline (Please note that both the testing and issuing of a certificate must be within 72 hours of the intended departure).
- The Embassy of Japan does not accept any responsibility or liability for issues that arise from the use of this list.

For Representatives of Clinics Wishing to be Listed Here:

- If you represent a clinic (located in D.C., MD, VA only) that can offer the service of COVID-19 testing and the issuing of a negative certificate by using the designated form, and wish to have your clinic's information listed here, then please email the consular office with the information listed below (E-mail: emb-consulate.dc@ws.mofa.go.jp). Please note that the Embassy of Japan shall retain all rights to edit this list, including the rights to publish or remove information without notice or explanation. Furthermore, the Embassy of Japan does not accept any responsibility or liability for issues that arise from the editing of this list.

※Passport Health is a provider of travel medicine and immunization services with 270+ clinic locations. Clinic locations other than those listed above may also be able to issue a negative certificate that meets GOJ requirements, so please refer to their website and directly contact the clinic you intend to visit if it is not listed above (Please note that some clinic locations such as the Norfolk(VA) clinic do not offer COVID-19 testing). Some Passport Health clinics such as the Washington, D.C. and Reston locations have doctors at their clinics, however, other locations may only have nurses onsite (Please be advised that although the designated form reads “signature by doctor,” that any authorized medical personal, including but not limited to doctors and nurses, can sign the certificate if it is issued in the United States).
