Friday, April 24 @ 6:30 pm

After Shin chan and his family dream about a beautiful lady dressed as a feudal princess, their dog Shiro uncovers an ancient box of letters while tearing up the garden. Inside, they find a note written in Shin chan's clumsy script, but he can't remember writing it. Suddenly he finds himself transported to the chaos of Japan's Warring States Period. Will Shin chan's crazy antics save his new samurai friends and rewrite history?

Crayon Shin Chan: Bravo! Samurai Battle was made in celebration of the 10th anniversary of the first broadcast of Yoshito Usui's popular animated series. Full of the great gags and silly scenarios Shin chan fans have come to love, it became famous in Japan for moving scores of adult audiences to tears during the final scene. In 2002 it received the prestigious Agency for Cultural Affairs' Media Arts Festival Grand Prize for Animation, which was given to Hayao Miyazaki's Academy Award-winning *Spirited Away* the previous year.
