Do you like samurai movies?

High school senior "**Barefoot**" (ITO Marika) certainly does. In fact, she loves them and is obsessed with the *Zatoichi* series, legendary actor Raizo Ichikawa, and the great period films in the Japanese genre. She's even written a script and plans to make her own samurai film. There's one problem: her school's film club voted to film a popular girl's romance picture instead! But that won't stop Barefoot, as she rallies together an unlikely crew of classmates and friends to try to finish their movie in time for the school festival.

It's a Summer Film! is an ode to friendship and the power of cinema. It may even have a little sci-fi twist...

Starring ITO Marika, KANEKO Daichi, KAWAI Yumi
